

2022 Level 10 Development Program Championships Photos and Video Order Instructions

Team Photo is pleased to be back providing photo and video coverages for the 2022 level 10 Women's Development Program Championships. Team Photo has been covering level 9 level 10 National Championships since 2011!

Team Photo has a team of very skilled gymnastics photographers covering your gymnast! All have had many years of experience in covering local meets and Development Program Championships, and a few are regulars covering elites at the premier events.

Photos and videos will be delivered via a download link in email two weeks or sooner after the event. They will not be posted online for viewing in order to stay compliant with Safe Sport. Number of staff and onsite viewing stations will be very limited due to covid restrictions therefore pre-ordering is strongly recommended. Package offerings and check-out process have been simplified to facilitate total contactless transactions.

Team Photo is owned by John Cheng and his wife Selma. John is also the Staff Photographer for USA Gymnastics, and was at his 3rd Olympic Games in Tokyo recently covering gymnastics!
